Experienced

Educated

Fair / Reasonable

Hardworking

I was President of the Four Winds Club Board of Directors up until my resignation on November 1, 2019. Due to the unexpected death of my mother, my family and I needed time to mourn, settle obligations and lay out new life plans. I thank all of the club members that gave me their condolences and allowed me the needed time.

I am presently willing and able to continue to support the Four Winds Club Inc. I have only my past work as President to reference. If you feel that I am still capable of representing the club, then vote for me on election day.
