

Hi my name is Tom Creel I live in Locust Grove, Va. I have lived there for 18 years. I am also a Veteran. I am retired from the trucking industry. I also am a owner of a lawn care business outside of here. My wife and I have two lots here in Four Winds. We are in CL1 lots 104 &105. We have been members in Four Winds for 5 years. I have volunteered alot of my time to the campground since becoming a member. We enjoy spending time here. We have met some really good people. If elected I feel I can help it to continue to be the place that families want to come spend time and enjoy the things that it has to offer. I feel I can help make it better by bringing new ideas to the members and to the board. Working together as a team can make a difference. Being retired I have the time.
Sincerely, Tom Creel CL 1.....lots 104 & 105
