

June 24, 2020

Dear Four Winds Members,

Let us start by saying “thank-you” to all the members for their patience during this pandemic. We have had to make many decisions quickly to ensure everyone remains healthy. Not all decisions were accepted easily by everyone, but we did and still do have everyone’s best interest in mind.

Safer at Home: Phase Three takes effect July 1, 2020. The primary direction provided in the guidelines emphasizes, “...maintaining appropriate physical distance between persons not living in the same household..., limit the occupancy of physical spaces to ensure that adequate physical distancing may be maintained... and practice routine cleaning and disinfection of high contact areas...” Though the restrictions are greatly eased, there are still restrictions that we will be required to continue to enforce.

- The Out of Bounds will remain open but continue to have limited hours. This is based on membership cooperation and our examination of return on investment (ROI) data. Guidance for customer space limitation has changed and will be adjusted accordingly.
- The large pool and diving area will open on June 26. The baby pool will remain closed. Pool hours and rules and regulations, based on Phase Three guidance, are attached.
- The Youth Center will remain closed until disinfecting requirements are established and put in place. Concession stand will remain closed until full inspection by health department.
- Overnight guests can resume visitation. Please be cautious of the number of visitors.
- Social gatherings are still restricted to 50% occupancy of the event space.
- All outside workers requiring entry must continue to be pre-approved and coordinated with the Office and Security. Additionally, the requesting Member will continue to meet their party at the gate to escort them on and off the property.
- Employees working in customer-facing areas are required to wear face coverings over their nose and mouth.

We will continue to adjust Four Winds restrictions as directed by Virginia and Caroline County guidelines and laws. Again, thanks to everyone for doing his or her part as we try to get back to some resemblance of “normal”. Further information regarding Covid-19 actions will continue to be distributed as received.

Remember to stay healthy and stay safe!

Respectfully,

Denise G. Lanier, Vice-President  
The Four Winds Club, Board of Directors
